— ENDOWMENT —

An endowment is a fund in which charitable contributions of property, assets, or funds are placed. Endowments are created for non-profit organizations in support of a specific goal. The Peanut Butter Endowment was created to purchase food to distribute to our clients. Join us in this valuable cause by making a one-time or recurring endowment donation.

The Rock River Valley Pantry provides urgent food care to more than 7,500 people each month. 38% of our clients are children. Once our target goal of \$250,000 is reached, the interest from the endowment program will provide food for thousands of people for years to come.

## How will you benefit:

- Your gift will leave a lasting legacy,
- All charitable donations are tax deductible,
- All endowed donations will always stay in the fund. Only the interest goes towards food purchases,
- Helping those in urgent need helps all of us.
